Memo No. CMOH/DHHD/GSM-22/45

Dates: 13.12.2021

Covid management Plans & Proposal in the upcoming Ganga Sagar Mela 2022in Diamond Harbour Health District

There are few components upon which the Covid management will be done during the Ganga Sagar Mela 2022 in DHHD:

1. Infrastructure and facilities
2. Medical screening of Pilgrims, Officers and Staff deployed.
3. Sample Testing of the Pilgrims
4. Maintaining social Distancing.
5. Mask & Sanitizers Distribution.
6. Checking of Vaccination Status & vaccination
7. Sample testing of people deployed on duty
8. Modus operandi of Ambulances deployment.
9. Green Corridor identification.
10. Transferring the Covid positive patients to the safe Homes.
11. Transferring the Covid positive patients to the Covid Hospitals.
12. Special Attention to the Paediatric age group Covid positive patient
13. Caring of SARI cases.
14. Contact tracing
15. Disposal of the Dead bodies.
16. Hears Van deployment.
17. Water and Air Ambulance arrangement.
18. Insurance Claim.
19. Sanitization.
20. Biomedical Waste Management.
21. Communication Management.
22. IEC Activities
23. COVID Material Management Plan
24. Management of NGOs & Volunteers
25. Covid control Room, Call Centre & Information Management
26. Rapid Response Team(RRT)
27. IT applications
28. Arrangement of Training and deployment of Human resources

1. Infrastructure & Facilities :

a) We have the following health facilities having total 1910 bed capacity.

Sl No.	Name of the Health Facilities	Beds	Sl No.	Name of the Health Facilities	Beds
i)	Babughat Temporary Hospital	30	x)	Kulpi RH	30
ii)	Vidyasagar SG Hospital	100	xi)	Belpukur PHC	10
iii)	ESIC, Joka Hospital <i>(to be arranged, as it is not under the control Health Deptt. presently)</i>	200	xii)	Lot-8 Temporary Hospital	15
iv)	Bharat Sevashram Hospital, Pailan	100	xiii)	Kakdwip SSH	450
v)	Bishnupur BPHC	30	xiv)	Narayapur Temporary Hospital	10
vi)	Amtala RH	50	xv)	Kachuberia Temporary Hospital	15
vii)	Sirakol PHC	10	xvi)	Rudra Nagar RH	60
viii)	Sarisha BPHC	30	xvii)	Chemaguri Temporary Hospital	10
ix)	Diamond Harbour Govt. MCH	700	xviii)	Mela Ground Temporary Hospital	60

b) **SARI** - There will be 5 nos. of **SARI isolation wards** (out of which, 3 temporary SARI isolation wards at Sagar) having bed capacity of 116 beds where all the respiratory distress negative patient will be treated with full medical support.

List of SARI Isolation Bed		
Sl. No.	Location	Isolation bed capacity
1	Diamond Harbour Govt. Medical College & Hospital	40
2	Kakdwip SDH	50
3	Sagar Mela Ground (Temporary)	15
4	Rudranagar Hospital (Temporary)	15
5	Kachuberia (Temporary)	5
Total Bed Capacity		125

c) The followings are the safe home with bed capacity which have been identified this year in DHHD and south24pgs during the Ganga Sagar Mela 2022

List of Safe Homes			
Sl. No.	Name of Block / Municipalities	Detail address of Safe Home	Bed Capacity
1	Sarisha	Sadvab Mondap, Sarisha	25
2	MAGRAHAT-II	Jaldhapa Karmatirtha (Multi GP)	50
3	Kakdwip	New Integrated Govt Sponsored School, Ramratanpur under Srinagar GP	80
4	Sagar	Kamalpur Integrated Government Sponsored School	80
Total Bed capacity			235

- d) **COVID Hospitals** –Five **COVID Hospitals** having 630 beds capacity have already been established **dedicatedly kept for the Sagar Mela in the district** whose services will be utilized if any pilgrim or other person involved in the GS Mela is tested COVID Positive. **These hospitals will be mapped against each medical screening point for coordination.**

List of COVID-19 Hospitals		
Sl.No.	Attached COVID Hospital	Capacity
1	M R Bangur Hospital	200
2	K S Roy TB Hospital	130
3	Diamond Harbour Govt. Medical College & Hospital	200
4	Kakdwip Temporary COVID Hospital	80
5	Rudranagar Temporary Covid ward for maternity cases	20
Total Bed Capacity kept only for Sagar Mela Pilgrims		630

- e) **Quarantine Centres** –Eight (08) nos. of **Quarantine Centres (QC)** having bed capacity = 705 at different points will be set up for accommodating direct contacts of COVID Positive patients during Mela period. In addition, there will be **dedicated pilgrim sheds** at all the 5 major points of Ganga Sagar for quarantining pilgrims. All kinds of services like quality food supply, bedding, toilets etc. etc. will be provided.

List of Quarantine Centres			
Sl. No	Name of Block / Municipalities	Detail address of Quarantine Centres	Capacity
1	Magrahat I	SadbhabMandap, USTHI	50
2	DH Municipality	MeghanaBhaban, Diamond Harbour	70
3	Kakdwip	Akshayanagar Kumarnarayan MPCs, under Swami Vivekananda GP	60
4	Kakdwip	Shibkalinagar Ishan Memorial MPCs under Madhusudanpur GP	60
5	Kakdwip	New Integrated Govt Sponsored School, Ramratanpur under Srinagar GP	80
6	Namkhana	Chandranagar karmathirtha, Haripur GP	50
7	Sagar	Harinbari Valikavidyalaya Hostel	80
8	Sagar	Harinbari MPCs, Harinbari under Rudranagar GP	80
Total Bed Capacity			530

- f) **Wellness Centre** - There will be 6 nos. of **wellness centres** having bed capacity = 203 at different points for accommodating doctors, nurses and other health staff who will be performing duties during the Mela.

List of Wellness Centers			
Sl. No.	Name of Block / Municipalities	Detail address of Wellness Centre	Capacity
3	Kulpi	Durga Nagar Milan Mandir Guest House	25
4	Kakdwip	Kakdwip Mahavidyalaya	100

5	Sagar	Pakhirala, Kachuberia	8
6	Sagar	Working Girls' Hostel, GilapiMore,Block – A	60
Total Bed capacity			193

- g) **Dead body disposal** - Packaging of dead body will be done at Sagar Island and Kakdwip SD Hospital. **Six(6) dedicated cremation ground** and **Six(6) dedicated burial ground** will be set up for disposal of dead bodies along with required manpower.

List of Cremation Grounds		
Sl. No.	Name of Block / Municipalities	Detail address of Cremation Ground
1	Bishnupur-I	Mouza - Deuli, Village:- Deuli under DakshinGouripurChakdhir GP
2	Magrahat-I	18 bagisamsan
3	Diamond Harbour	Samapan Electric Crematorium
4	Kakdwip	Balikhali, Mouza- Srikrishnanagar under Netaji GP
5	Namkhana	NandagheriSamsan, Namkhana GP,
6	Sagar	Hatipitia , Mahishamari, riverside , Sagar

List of Burial Grounds		
Sl. No.	Name of Block / Municipalities	Detail address of Burial Ground
1	Bishnupur-I	Kabarsthan at Bakeshwar (Panakua GP) under St. Mary's Church for Christians
2	Bishnupur-I	MistripaKabarsthan at Rajakgohalia (Keoradanga) for Muslims
3	Kulpi	Sahapara, Kulpi
4	Kakdwip	Balikhali, Mouza- Srikrishnanagar under Netaji GP
5	Namkhana	AmaravatiLaskarpara ,Freserganj GP
6	Sagar	Chakfuldubi

2. **Medical screening of Pilgrims, Officers and Staff deployed:**

Medical Screening along with Vaccination Status checking will be done mandatorily of each & every Pilgrim. will be done by the thermal Gun Check up by the well-trained Civic Volunteers/ Health staff in all the Health facilities including buffer zones & First Aid Centres Starting **from Outram Ghat to Sagar Island** (approximately 110 kms distance) .

However, where indicated, Rapid Antigen Testing (RAT) facilities will be manned by the Civic Volunteers, Health personnel. Dedicated sample collectors (from the existing resources and from few outsourcing) will be deployed. The report will be available on spot by the DEOs deputed from the BSKs. In Our District the numbers of Nine (9) prominent locations have been identified where all pilgrims will pass through. The locations are as follows...

SI No	List of Screening Camps and Rat Testing Centers			
	Locations	Shifts	Activities	Ambulance
1	Howrah Railway Station		To be provided concerned District Authority	
2	Sealdah Railway Station		To be provided concerned District Authority	
3	Kolkata Railway Station		To be provided concerned District Authority	
4	OutramGhat		To be provided concerned District Authority	
5	Banga Nagar Buffer Zone, Falta	Three (3)	Health personnel with CV / CDV will a. screen and b. perform test for the indicated pilgrims c. provide Mask, d. sanitizers and e. Maintain social Distancing. f. Ambulance for transportation to the g. nearer safe homes / Covid Hospital	2
6	Ramjan Nagar, Kulpi	Three (3)		2
7	Halder Chalk, Kakdwip	Three (3)		2
8	Kakdwip Railway Station, Kakdwip	Two (2)		2
9	Harwood Point Bus Bay, Lot 8	Three (3)		3
10	Namkhana Railway Station, Namkhana	Two (2)		2
11	Benuban Ferry Ghat, Benuban	Three (3)		2
12	K 2 Bus stand, Mela ground	Two (2)		2
13	Mela Ground, Sagar	Three (3)		3

3. Sample Testing of the Pilgrims:

All the above cited health facilities will be manned by the existing LTs (of the respective District) and the DEOs and there should be provision of on-line entry.

In any case, suspected Symptomatic cases must not be allowed to move forward and to be kept in nearby isolation centres. And in Symptomatic RAT negative cases need to be referred to the RT-PCR centers. RTPCR Testing will be done in two labs, viz. SSKM Hospital and DHMCH. The sample will be collected only in special cases and that to be collected at the earmarked Health facilities. A coordinated system will be in place for Hassel free sample collection, transportation, report collection & tracking the patients and interim safekeeping of such pilgrims.

i) Sample test (RAT) will be done for those only who will be found to be symptomatic during medical screening at different entry points / Buffer Zones, Bus Stands, Railway Stations. Online data entry arrangements will be in place.

- ii) If the person is found to be positive after RAT, he along with his / her team will be taken care as per COVID Protocol. If any symptomatic patient is tested negative, he / she will be referred for RTPCR Testing Centre. There will be mobile van to collect the sample from the person at the point of medical screening camp.
- iii) If the person is found to be positive after RTPCR, he / she will be shifted to the nearby Safe Homes / SARI isolation ward / COVID Hospitals as recommended by the MO. They will be marked as “**Tested - Positive**” after test. His / her teams being the primary contacts will be detained in nearby QUARANTINE CENTRE.
- iv) There will be dedicated ambulance for transporting the persons to the nearby Safe Home / SARI isolation ward / COVID Hospital.

The RT-PCR centres are as follows

List of RT-PCR sample collection Center & Testing Center		
Sl No	Name of the Collection centers	Testing Centers
1	M R Bangur Hospital	SSKM Hospital
2	DHGMC & Hospital	DHGMC & Hospital
3	Kulpi Rural Hospital	DHGMC & Hospital
4	Kakdwip SS Hospital	DHGMC & Hospital
5	Rudranagar Hospital (Sagar)	DHGMC & Hospital

In addition to the RT-PCR facilities,

The following no. of Buffer Zones and First Aid Centres will be set up where the basic health care will be provided along with RAT testing facility.

The Buffer zones and First –Aid camps are as follows:

Sl. No.	Locations of Camps	Sl. No.	Locations of Camps
1	Pailan Buffer Zone - 3 shift	17	Narayanpur Main Bus Stand – 3 shifts
2	Ajodhya Nagar Buffer Zone - 3 shift	18	Namkhana Mela Office – 3 shifts
3	Sirakole PHC – 3 shifts	19-23	Namkhana Ghat 5 camps - 3 shifts
4	Usthi Police Station – 2 shifts	24	Namkhana Railway Station - 3 shifts
5	Narkeldanga Buffer Zone - 3 shifts	25	Namkhana Rail Yard - 2 shifts

6	Dostipur First AID center – 2 shifts	26	Chemaguri - 2 shifts
7	Diamond Harbour Buffer Zone-3 shifts	27	Benuban - 3 shifts
8	TulshirChak Buffer Zone -3 shifts	28	Kachuberia Temporary Hospital – 3 shifts
9	Ramzannagar Buffer Zone- 3 shifts	29	Kachuberia Barge - 3 shifts
10	Halderchak Buffer Zone -3 shift	30	Chakfuldubi Buffer Zone - 3 shifts
11	Natun Raster More - 2 shifts	31	Gandhi SmritiMaidan Buffer Zone- 3 shifts
12	Kakdwip Railway Station - 3 shifts	32	Sagar Mahavidyalay Buffer Zone- 3 shifts
13	Kashinagar Railway Station -2 shifts	33	Sea beach Road 2 CAMPS 2 shifts
14	Lot 8 Harwood Point- 3 shifts	34	K 1 Bus stand - 3 shifts
15	Lot 8 VIP Jetty no 4 - 2 shifts	35	K 2 Bus Stand 2 shift
16	Lot 8 Temporary Hospital – 3 shifts	36	Sea beach Rd no 3 – 3 shifts
17	Narayanpur 2 nd Bus Stand – 2 shifts	37	Sea beach Rd no 2 – 3 shifts

4. Maintaining social Distancing:

Everywhere along the route from Babughat to Kapil Muni Temple, Social Distancing will have to be maintained with the Mask on all the time. **Especially in the sea beach and in the Kapil Muni Temple, Social Distancing norms have to be ensured and should have to be strictly followed** and it will be monitored mainly by the Police Administration. Special civic volunteers, Civil Defence and the other staff may be engaged to watch and to help maintain social distancing norms in every Bus / Train / any other vehicles/ any other mode of travel, Violation of which may strongly be dealt with by the police administration.

5. Mask & Sanitizers Distribution:

Everybody should wear mask; and sanitization activities will have to be arranged in the Bus Buffer zones like Babughat; Railway stations (like Sealdah; Diamond Harbour; Lakshmikantapur; Kakdwip & Namkhana) and **special Kiosk may be arranged for IEC** and automated Sanitization will be worth doing in every entrance of the stations and bus-stand and in every gate of the Health Facilities. Mask and sanitization have to be distributed in every buffer zone where more & more numbers of pilgrims will conglomerate. **In this regard, 50 no. of Automated Sanitization machines are required.**

6. Checking of Vaccination Status & vaccination:

It is needless to mention that, in this present scenario, **every pilgrim must have to show their completed vaccination status** to the volunteers, otherwise it will be difficult for us to allow them to move towards Sagar Island. However, **stat RAT test negative pilgrims may be allowed to move forward**. In the Sagar Mela 22, **it is of no use to vaccinate the incoming pilgrims; rather we have to ensure 100% vaccination of the Sagar Island and the habitant people of in and around the route to Kapil Muni Temple from Babughat to avoid chance of infection.**

7. Sample testing of people deployed on duty:

All the staff and officials deployed for Ganga Sagar Mela 2022 will be instructed to get their test done at their work place within 72 hours before reporting for duty.

8. Modus operandi of Ambulances deployment :

In all the RAT testing facilities cited above must have to equipped with 102 Ambulances and such no. of Ambulances **in DHHD** are as follows

a) Sirakol PHC	= 1 nos.
b) Sarisha BPHC	= 1 nos.
c) Diamond Harbour Government Medical College	= 3 nos.
d) Kulpi RH	= 2 nos.
e) Belpukur PHC	= 1 nos.
f) Lot-8 Temporary Hospital	= 4 nos.
g) Kakdwip SSH	= 4 nos.
h) Narayanpur Temporary Hospital	= 1 no.
i) Kachuberia Temporary Hospital	= 2 nos.
j) Rudra Nagar RH	= 1 nos.
k) Chemaguri / Benuban Temporary Hospital	= 1 no.
l) Mela Ground Temporary Hospital	= 4 nos.

TOTAL = 25 nos.

Also we will require at least 3 **dedicated 102 ambulances**@ every Safe Home in DHHD **totalling tenno of 102 Ambulances** during the Mela Period between 7th of January, 2022 to 18th of January, 2022. **Apart from that, 75 ambulances will be deployed in different places like last year from DM Pool.**

9. Green Corridor identification :

A separate Green Corridor

- 1) In the Mela Ground Hospital Road NO 3;
- 2) Chemaguri Benuban ferry Ghat approach road; and

3) In the Kachuberia Ghat for quick & hassle free transferring of the emergency as well as Covid positive patients to be set up like previous year and that too it will be extremely better if these areas are maintained strictly by paramilitary forces.

4) A green corridor has been identified in Lot-8 through which patients will be transferred to the Kakdwip SSH smoothly like last year.

10. Transferring the Covid positive patients to the safe Homes:

i) **Safe Homes**- Already **Total seven (7) nos.** of **Safe Homes** (having bed capacity = 605) have identified, Seven in the DHHD having bed capacity = 365 and One in the South 24Pgs Health District having bed capacity = 250. All the facilities as per guidelines of the H & FW Dept. will be made available in these

Safe Homes for the pilgrims. *A dedicated safe homes need to be identified in the Kakdwip for the staff deployed in the Sagar Mela duty.*

List of Safe Homes			
Sl. No.	Name of Block / Municipalities	Detail address of Safe Home	Bed Capacity
1	Sarisha	SadvabMondap, Sarisha	25
2	MAGRAHAT-II	JaldhapaKarmatirtha (Multi GP)	50
3	Kakdwip	New Integrated Govt Sponsored School, Ramratanpur under Srinagar GP	80
4	Sagar	Kamalpur Integrated Government Sponsored School	80
Total Bed capacity			235

From the entire RAT testing facilities the Positive cases will be transferred to the nearest safe Homes depending upon the conditions of the patients.

11. Transferring the Covid positive patients to the Covid Hospitals:

The Distance from the OutramGhat to Lot – 8 Temporary Hospital is 83 Km (approx); and the **Covid Hospitals** available in this Road are:

- a) Bangur Hospital (500 bedded Capacity)
- b) Diamond Harbour Government Medical College (200 bedded Capacity)
- c) **Kakdwip Temporary Covid Hospital (80 bedded Capacity)**

From the entire RAT testing facilities & from the safe Homes, the Positive cases will be transferred to the nearest Covid Hospital depending upon the conditions of the patients & availability of Bed.

12. Special Attention to the Paediatric age group Covid positive patient :

This year, Paediatric age group positive patients are expected; hence, we have prepared the following measures,

Availability of the Paediatric CovidBeds in DHHD (Total 92 Beds):

- 1) Diamond Harbour Medical College (Bed capacity for paediatric patients, NICU= 25 beds; PICU= 10 bed; and SNCU = 12 beds. Therefore, **Total = 47 beds**).
- 2) Kakdwip SDH & SSH (Paediatric bed capacity = 30 beds)
- 3) Apart from that, Rudrangar Hospital will run with 10 paediatric beds.
- 4) Temporary Mela Ground Hospital will have special Arrangement for 5 paediatric ICU beds.

13. Caring of SARI cases.

In addition, this year we will keep dedicated **10 bedded SARI isolation ward** to be set up at **Temporary Sagar Mela Ground Hospital** and another **10 bedded SARI isolation ward at Rudranagar Hospital** & **Five(5) bedded SARI ward to be set at Kachuberia Temporary Hospital** with Cardiac Monitor, pulse-Oxymeter and dedicated oxygen cylinder and other accessories. Additional two cell counter, Electrolyte analyzer, full auto and semi auto analyzer are needed for Sagar Mela ground Temporary Hospital and Sagar RH.

14. Contact Tracing

Once a person is tested as COVID POSITIVE, his direct contacts will be traced. All the direct contacts irrespective of symptomatic or asymptomatic will be retained in nearby QUARANTINE CENTRES and will be checked for COVID-19 symptoms. Sample collection and testing will be done only if required.

15. Disposal of the Dead bodies:

A dedicated Burial Ground and a crematorium have been identified at the Sagar Island and similarly, *another same set up will be identified at the Kakdwip Sub-Division*. We have already identified the same in the Diamond Harbour Sub-Division. All the health care facilities will be well connected by mail, whats-app or by HAM Radio through which, the information will be sent to the dedicated Team for disposal of the Covid Dead body through Hears Van. COVID body packaging and funeral related manpower to be identified at Sagar Island and Kakdwip SD Hospital.

16. Hears Van deployment:

COVID related Dead body carrying Hares Van = 2 nos. at lot8 and 2 nos at Sagar mela ground to be kept ready.

17. Water and Air Ambulance arrangement:

Dedicated **Water Ambulances (speed Boat) at least three (3) in numbers are required for quick transportation and referring the Covid positive patients from Sagar Island to the main land for advance treatment. Two (2) water Ambulances for Kachuberia to Main Land and One (1) water Ambulance from BenubanFeeryGhat to Main Land.**

We require Two (2) Air-Ambulance to be set up during the period of Sagar Mela, 2022 for the Covid positive patient transportation.

18. Insurance Claim:

As per existing protocol, it will be processed by the respective in-charge either of the safe Homes or of the Covid Hospital and ultimately by the concerned department for settling of the claim.

19. Sanitization

Sanitization of pilgrims at medical screening camps, bus stands, railway stations, temple entrance and jetties to be done. Installation of sanitizing tunnel / paddle sanitizer / auto sanitizer / hand sanitizers are also to be done at strategic points.

Daily sanitization of all buffer zones (Medical Screening Camps), railway stations, bus stands, jetties, barricades, Mela Grounds, Temple area, pilgrim sheds, NGO Sheds and all other sheds, temporary VIP Sheds, Circuit Houses, Mela Offices, beach area, shops, hotels, Control Rooms, Safe Homes, Quarantine Centres, COVID Hospitals etc to be carried out.

Sanitization of buses, launches, autos, ambulances and all other vehicles used for pilgrim transportation after every journey will be done. **The Fire Brigade Dept. and the respective Panchayat Samity will ensure the sanitization.** The services of the NGOs and CDVs will be utilized.

20. Biomedical Waste Management:

Our existing Vendor, Genentech will be given the additional charges for the safe Homes and temporary Hospitals. Bio medical Waste Management for Covid -19 pts to be taken care of by the health Department though the necessary payment will be made as per existing norms and by the General Administration.

21. Communication Management:

All the activities will be coordinated by the apps, Ham Radio and walkie-talkie and the CC TV surveillance and through interdepartmental network. All the entrusted personnel's contact no will be shared to each other for faster communication.

Apart from this a dedicated control room to be set up for 102 Ambulance in Kachuberia. In case a Covid pt. needs to be transported to the main land from Kachuberia, the Covid pt. within the ambulance in situ may be transported to main land through barge.

22. IEC Activities:

Since from Last year, the Ganga Sagar Mela is being organized with a challenging situation, massive IEC will be done from every department. The Leaflets, Posters, Banners, Radio jingle, street play, milking, announcement in different languages and displays will be of immense beneficial as well as protective.

23. COVID Material Management Plan:

Like last year, we will COVID Material Management Plan assess the requirements of different materials and instruments like thermal guns, masks, sanitizer, PPE, testing kits, etc for all officials and personnel to be deployed by them and for different facilities like Safe Homes, SARI isolation wards, COVID Hospitals and all other facilities and arrange to procure them before the Mela for smooth health services and COVID management.

The NDC will assess the requirements of different materials like, masks, sanitizer, etc for all officials and personnel to be deployed by different depts. and arrange to procure them before the Mela for smooth functioning of health services for containment of spread of COVID-19. The materials will be distributed at different points as per requisition received from the Point In-Charge

24. Management of NGOs and Volunteers:

In addition to their regular services, the NGOs, CDVs and other volunteers will be deployed at medical screening camps, bus stands, railway stations, jetties, barricades, mela ground and temple ground to impose sanitisation, wearing masks and maintaining social distances in queue like previous year.

Their services will also be utilized for IEC at medical screening camps, bus stands, railway stations, jetties, barricades, mela ground and temple ground for distributing leaflets, masks and hand sanitizer and for maintaining social distances in vehicles and launches and in Safe Homes and QUARANTINE CENTRES for providing food and other services. They will be trained properly to provide different services at different locations.

25. Covid Control Room, Call Centre & Information Management:

Dedicated COVID Sub-Control Room will be established within the main control room at Mela Ground. Dedicated COVID Call Centre to be manned by separate teams – 24X7, to be led by one DMDC, one police Officer - not below the rank of DSP, one MO – not below the rank of ACMOH A dedicated toll-free Help Line No. also will be established.

A dedicated COVID-19 Control Room will be established at all major points - one BDO, one police Officer - not below the rank of ASI and one MO. They will coordinate the information, transportation, admission, disposal of dead bodies of COVID POSITIVE patients. They will guide the SARI / ILI / Co-Morbid patients, specially, to the isolation ward with special care and keep track. They will coordinate in disposal of any complaint. They will keep contact with the families of the patients. They will share information with other districts and other states, if required.

26. Rapid Response Team (RRT):

A dedicated rapid response team will be patrolling every time in the Sagar Island. In case of any exigency, the team will rush to the spot in no time and will provide emergency medical management. The said team will be

consisting of physician, Surgeon, orthopedician, public health specialist (epidemiologist) and support staff. They will be constantly keeping contact with the control room and point in-charge of the temporary hospitals.

27. IT Application:

Separate software for tracking the movement of COVID POSITIVE pilgrim of GS Mela will be prepared like previous Mela. The pilgrims may be tracked from the stage of medical screening till they reach home after being recovered from COVID POSITIVE.

The entry will be done at Medical Screening Camp, Quarantine Centre, Safe Home, SARI Isolation ward, COVID Hospital and Control Room. Dedicated DEOs will be deployed at all such points. They will be trained for handling of this software.

28. Arrangement of Training and deployment of Human resources:

Phase by phase of different kind of training will be arranged considering the type of job the Human Resources will be deployed in the month of December 2021.

Sd/-

Dr. Debasis Roy
Chief Medical Officer of Health
Diamond Harbour Health District
